

UC-One Trio Desktop Guide

Quick Reference Guide

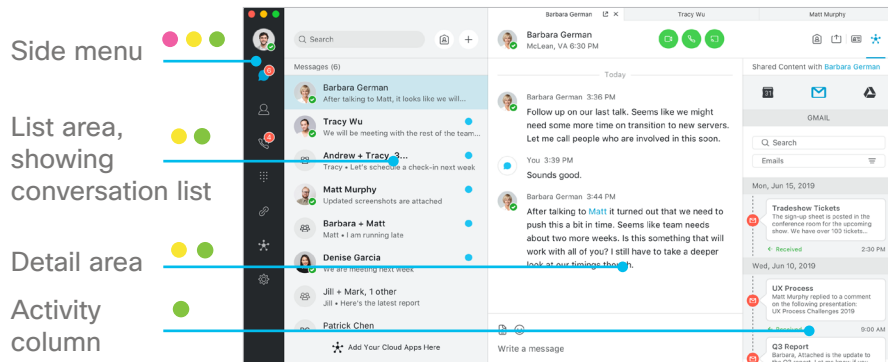

Use our handy colour dots to see what's included in each UC-One Trio product:

- Softphone only
- Softphone + IM&P
- Softphone + Collaboration

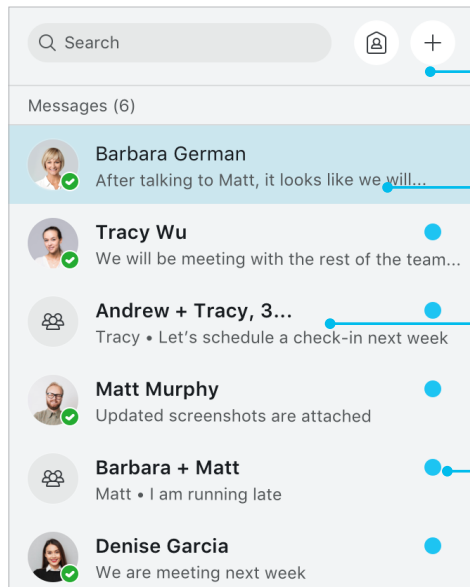

Application overview

Download and run the executable file, then sign in. The application has four main areas:

The list area

Displays the list of messages/contacts/calls (whatever you chose from side menu):

Controls area for adding new items, searching through items, or filtering items

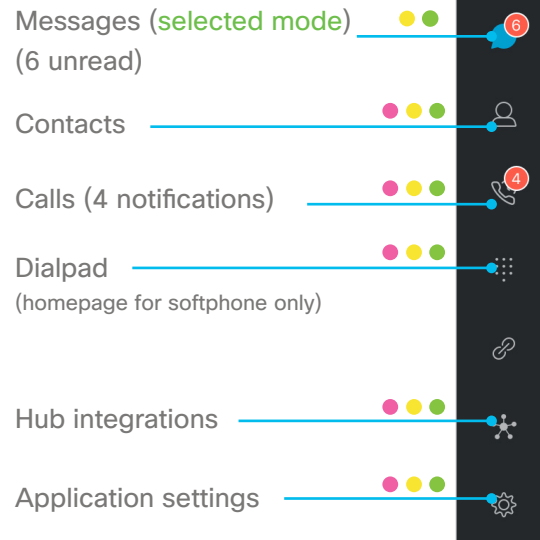

The selected item opens in the detail column

List area shows the whole list, search results, or filtered list

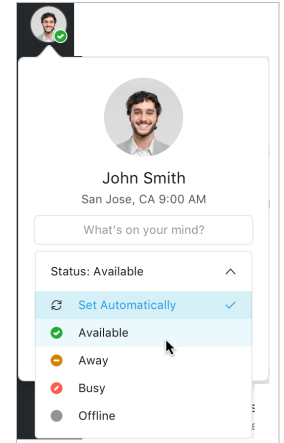

Icons and overlays that show item status, eg. presence, unread conversations

The side menu

Navigate between menu options here:

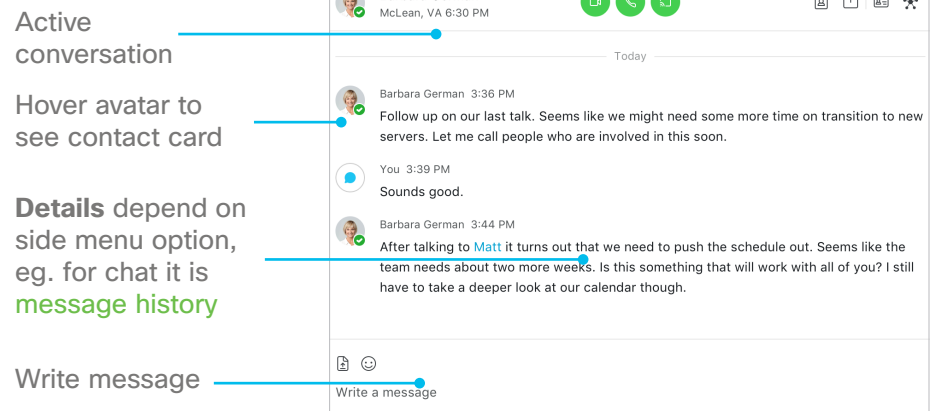

Click your avatar to see your profile, change your presence, or sign out

The detail area

Displays the contents and controls of the selected item:
